

Calling All Members

The NDCTWS is looking for professional members interested in being paired with a student as a mentor.

How does this benefit students?

- ◆ A reference outside academia
- ◆ Personal and professional development (i.e. networking)
- ◆ Resume, Career, and job interviewing advice
 - ◆ What can they do to make themselves marketable once they graduate.

How does this benefit mentors?

- ◆ Stronger sense of involvement with the state and student chapters.
- ◆ Building professional capital (i.e. attracting and maintaining potential future members/leaders within the state chapter)
- ◆ Sense of satisfaction and fresh perspectives
 - ◆ Still not convinced click [HERE](#)
